NAME: Lantis NATIVE WORLD: Cefiro FAVORITE THING: Naps LEAST FAVORITE THING: Sweets

Lantis is Zagato's younger brother. The only call, or magic swordsman, in Celino, he suddenly disappeared one day from the readm; Rafega took over his job as the captain of Princess Emeraude's private guard. Returning at last to Celino after the death of Emeraude, Lantis has done a lot of thinking along the way about the Pillar system that supports Celino ... and led to her downfall ...

NAME: Primera (The Pixie)
NATIVE WORLD: Cefiro
FAVORITE THINGS Lands, plug
(a Cefiro fruit), gla (a Cefiro dish)
LEAST FAVORITE THING: Anyone
getting between her and Lands

Lantis hardly needs a guardian, but thy pixle Primera has appointed herself as such, supposedly out of gratitude for Lantis rescuing her during the chaos in Cefiro. But there's also the fact that he's, well, a very handsome man.

NAME: Eagle Vision NATIVE WORLD: Autozam EWORITE THINGS: Sweets, teatime, naps LEAST FAVORITE THING: Nothing in particular

Eagle Vision is commander of the battleship NSX, sent by the realm of Autozam to conquer Cefino. His native world is one where technology is controlled through mental energy. NAME: PTO MADE IN: Autozam

Eagle's fighter mecha, it has a lightweight and fast design and is equipped with a laser sword, beam weapon, and Vulcan camon. Eagle is proud of FTO's undefeated record in Autozam. A change in Eagle's personality seems to occur when he pilots it.

MAGIC KNIGHT RAYEARTH 2 CHARACTER PROFILES

Eagle Vision's right-hand man, the brawny Geo is subcommander of the Autozam invasion force and pilots his own mecha, GTO. Geo is protective of Eagle, as if he were a younger brother. What does he know of Lambis from the cair's journey to his world . . . ?

NAME: Tata NATIVE WORLD: Cizeta FAVORITE THINGS: Moramy, Daddy, martial-arts training—but above all

else, her older sister

A sword-swinging princess of Cizeta, Tata is as frantic and militant as her sister is calm and peaceful; together, they just about make one normal person.

NAME: Tatra NATIVE WORLD: Cizeta FAVORITE THINGS: Her younger sister, tea

Always ready with a gentle word and a lovely cup of tea, Princess Tatra seems to hardly be aware of her surroundings at times, but there is wisdom in her ways....

NAME: LaKunn and Rasheen NATIVE WORLD: Cizeta

The twin guardian spirits that can be conjured forth by Tata and Tatra. Of classic genie (also spelled djim or jim) appearance, their muscular tag-team ways are nevertheless judged by Umi and Lady Aska as not in keeping with the general high aesthetic standards of the saga.

NAME: Lady Aska NATIVE WORLD: Fahren FAVORITE THINGS: Steamed peach buns, mischief, SsangYong

Princess royal of Pahren, and commander of that world's invasion force. Arrogant, greedy, and impulsive, Lady Aska is driven by a self-confidence so extreme it seems to empower the very illusions she casts as attack mapic.

NAME: SsangYong NATIVE WORLD: Fahren FAVORITE THINGS: Lady Aska, books

A loyal servant to Lady Aska, SsangYong has known her since they were both children. Neither his youthful desperation nor. Chang'aris elder experience can slow her down. Compared to Lady Aska, he is considerably more thoughtful and studious a person, although she sets an admittedly low bar.

Papel

NAME: Chang'an NATIVE WORLD: Fahren FAVORITE THINGS: Apricot liqueur, shoulder rubs

A minister of Pahren, Chang'an rules their word as regent until the unlikely day that Lady Aska grows up. It's hobbies include attempting to give her sage advice and failing to dissuade her from rash actions. Aska addresses him by the respectful term "nagging grandpa."
